OLD BUSINESS:

Whoos Reading Carnival: The carnival will take place from 9-12 on May 29th. Snow cones, popcorn, water, and granola bars will be provided. There will be several bouncy houses and other blow-up features along with a tattoo station, games for smaller kids, and more. Look for a signup genius to come out soon.

Field Day Lunch: Field day is on May 30th and lunch will be served by PAC from 12-1. Hotdogs, chips, and watermelon are provided along with ice cream from Johanna and Gatorade from Alana. Thanks, ladies! Look for a signup genius to come out soon.

Break Down of All Events and Tasks: Look for a Google doc coming out soon that goes over all the events PAC puts on and a breakdown of each of the tasks within those events. We are trying to get more people involved and this way everyone can see what is involved to make things happen:)

Teacher Appreciation: Teacher appreciation week is going well. The staff received coffee and donuts this week and the kids are doing a great job of showing their appreciation with gifts, flowers, and cards. Thanks to Emily for organizing it.

NEW BUSINESS:

Gallatin Conservation District: Kristy Sullivan presented a science opportunity to replace Moss. It is an Ag-based program and the cost is free. They can come to each classroom individually and have a ton of different areas of focus such as farm animals, watersheds, farming, gardening, and much more. The school board thought it was a good fit.

Archery NASP - The national archery school program was presented by Maud. This would be a supplemental program that would need to be run by the P.E teacher. Trained Volunteers would be needed and would also need to be approved by the school board. Maud will be looking into more details such as cost, etc.

PAC Executive Positions - President and VP - Voted on at last meeting. Last Meeting is May 30th after field day lunch (about 1/1:30 pm)

Meeting Adjourned: 7:52
