The process begins by completing this application. Applications are due by **May 15, 2025**, for enrollment in the 2025-2026 school year. Upon receipt of a complete application, the District has 10 days to notify the parent or guardian of the child and district of residence involved in the out-of-district enrollment agreement of the anticipated date for approval or disapproval of the agreement. Completed applications must include this form, as well as the following:

- FP-14 Form—Parents/Guardians should complete Section 1 of this form only.
- Attendance and behavior records for the last three years. These must be official records from the current or previous school(s).

It is the Parent/Guardian's responsibility to ensure that the application materials are complete and received by Amsterdam School. Late applications will not be considered.

Additional Information:

- Each application will be assigned a random and confidential non-identifying number to ensure the student's name is kept private.
- Not more than 30 days following the application deadline, the Superintendent will submit a list of applications to the Board of Trustees with recommendations.
- Families who have completed applications will be notified the Friday prior to the Board Meeting via email, notifying them of the recommendation for approval/disapproval of

their application. Families who are recommended for waitlist or disapproval may choose to discuss their child's application in a closed executive session of the board.

- Nonresident students enrolled in the Amsterdam School District must complete an application for enrollment agreement each school year for the succeeding year.
- Acceptance is not guaranteed and decisions will be made in accordance with Policy 3141, Section 20-5-320, MCA, and the District Strategic Plan
- The family of a nonresident child whose application for enrollment has been approved is responsible for transportation of the child, and the child is not an eligible transporter as defined in Section 20-10-101, MCA.
